

Insulin Growth Factor Binding Protein-3 (IGFBP) Antibody

Catalogue No.: abx024029

Insulin Growth Factor Binding Protein-3 (IGFBP) Antibody is a Cell Culture Monoclonal against Insulin Growth Factor Binding Protein-3 (IGFBP).

Target: Insulin Growth Factor Binding Protein-3 (IGFBP)

Host: Mouse

Clonality: Monoclonal

Tested Applications: ELISA, CLIA, RIA

Immunogen: Human IGFBP-3 Recombinant.

Purification: Protein A Chromatography.

Form: Liquid

Isotype: IgG₁

Storage: Store at -20°C.

Concentration: 4.55 mg/ml (OD280nm, E0.1% = 1.45)

Buffer: 0.1 M Borate Buffered Saline, pH 8.0.

Note: This product is for research use only.
