Osteocalcin Antibody

Catalogue No.: abx024044

Osteocalcin Antibody is a Cell Culture Monoclonal against Osteocalcin.

Target:	Osteocalcin
Host:	Mouse
Clonality:	Monoclonal
Tested Applications:	ELISA, CLIA, RIA
Immunogen:	Recombinant Human Osteocalcin.
Purification:	Protein A Chromatography.
Form:	Liquid
Isotype:	IgG ₁
Storage:	Store at 2-8°C.
Concentration:	1.35 mg/ml (OD280nm, E0.1%= 1.4)
Buffer:	0.1 M Borate Buffered Saline, pH 8.0.
Note:	This product is for research use only.
