Na⁺ / K⁺ ATPase Assay Kit

Catalogue No.: abx097985

Na⁺/K⁺ ATPase Assay Kit is an assay kit designed for the detection and quantification of Na⁺/K⁺ ATPase concentrations.

Target:	Na ⁺ /K ⁺ ATPase
Reactivity:	General
Storage:	Store at 4°C for 6 months.
ELISA Detection:	Colorimetric
Note:	This product is for research use only.
