

Uni Seamless Cloning and Assembly Kit

Catalogue No.: abx098063

This kit takes advantage of proprietary assembly mix and homologous recombination to achieve directional cloning of PCR fragments that share 15-25 bp overlapping sequences into any linearized vector. Up to 95% cloning efficiency.

Target: Uni Seamless Cloning and Assembly Kit

Storage: Store at -20°C. Stable for 12 months from date of receipt.

Note: This product is for research use only. This product is shipped with dry ice.
