

**Zinc Transporter 3 (SLC30A3) Antibody**

Catalogue No.: abx115691

Solute Carrier Family 30 (Zinc Transporter), Member 3 Antibody is a Rabbit Polyclonal antibody against Solute Carrier Family 30 (Zinc Transporter), Member 3.

|                               |                                                                        |
|-------------------------------|------------------------------------------------------------------------|
| <b>Target:</b>                | SLC30A3                                                                |
| <b>Reactivity:</b>            | Human, Mouse, Rat                                                      |
| <b>Host:</b>                  | Rabbit                                                                 |
| <b>Clonality:</b>             | Polyclonal                                                             |
| <b>Tested Applications:</b>   | ELISA, WB, IHC                                                         |
| <b>Recommended dilutions:</b> | Optimal dilutions/concentrations should be determined by the end user. |
| <b>Immunogen:</b>             | Human SLC30A3.                                                         |
| <b>Purification:</b>          | Antigen Affinity Chromatography.                                       |
| <b>Form:</b>                  | Liquid                                                                 |
| <b>Isotype:</b>               | IgG                                                                    |
| <b>Conjugation:</b>           | Unconjugated                                                           |
| <b>Storage:</b>               | Aliquot and store at -20 °C. Avoid repeated freeze/thaw cycles.        |
| <b>Swiss Prot:</b>            | <a href="#">Q99726</a>                                                 |
