

**Zika Virus Envelope Protein**

Catalogue No.: abx160022

Zika Virus Envelope Protein is a recombinant protein produced in Insect cells.

<b>Target:</b>	Zika Virus Envelope
<b>Host:</b>	Insect
<b>Tested Applications:</b>	ELISA, LF
<b>Purity:</b>	80% Pure (SDS PAGE)
<b>Purification:</b>	Affinity Chromatography.
<b>Form:</b>	Liquid
<b>Storage:</b>	Store at -20°C. Avoid repeated freeze/thaw cycles.
<b>Expression:</b>	Recombinant
<b>Concentration:</b>	2.1 mg/ml
<b>Buffer:</b>	Phosphate Buffered Saline, pH 7.4. Preservative: 0.09% Sodium Azide.
<b>Note:</b>	This product is for research use only.
