

Retinoblastoma Protein 1 (RB1) Antibody

Catalogue No.: abx237141

RB1 Antibody is a Rabbit Polyclonal against RB1.

| | |
|-----------------------------|--|
| Target: | RB1 |
| Reactivity: | Human, Mouse |
| Host: | Rabbit |
| Clonality: | Polyclonal |
| Tested Applications: | ELISA, WB, IHC, IP |
| Purity: | > 95% (SDS-PAGE) |
| Purification: | Immunogen affinity purified. |
| Form: | Liquid |
| Isotype: | IgG |
| Conjugation: | Unconjugated |
| Storage: | Store at -20°C for 24 months. Avoid repeated freeze/thaw cycles. |
| Buffer: | PBS with 0.02% sodium azide and 50% glycerol, pH 7.3 |
| Note: | This product is for research use only. |
