

Solute Carrier Family 47 Member 1 (SLC47A1) Antibody

Catalogue No.: abx237966

SLC47A1 Antibody is a Rabbit Polyclonal against SLC47A1.

Target:	SLC47A1
Reactivity:	Human
Host:	Rabbit
Clonality:	Polyclonal
Tested Applications:	ELISA, WB
Purity:	> 95% (SDS-PAGE)
Purification:	Immunogen affinity purified.
Form:	Liquid
Isotype:	IgG
Conjugation:	Unconjugated
Storage:	Store at -20°C for 24 months. Avoid repeated freeze/thaw cycles.
Buffer:	PBS with 0.02% sodium azide and 50% glycerol, pH 7.3
Note:	This product is for research use only.
