

Mitochondrial Import Inner Membrane Translocase Subunit Tim9 (TIMM9) Antibody

Catalogue No.: abx238704

TIMM9 Antibody is a Rabbit Polyclonal against TIMM9.

Target:	TIMM9
Reactivity:	Human, Mouse, Rat
Host:	Rabbit
Clonality:	Polyclonal
Tested Applications:	ELISA, WB, IHC, IF/ICC
Purity:	> 95% (SDS-PAGE)
Purification:	Immunogen affinity purified.
Form:	Liquid
Isotype:	IgG
Conjugation:	Unconjugated
Storage:	Store at -20°C for 24 months. Avoid repeated freeze/thaw cycles.
Buffer:	PBS with 0.02% sodium azide and 50% glycerol, pH 7.3
Note:	This product is for research use only.
