

## **Growth Hormone Protein**

Catalogue No.: abx263133

Growth Hormone Protein (recombinant) is a cytokine.

**Target:** GH

**Origin:** Fish

**Conjugation:** Unconjugated

**Expression:** Recombinant

**Swiss Prot:** [P29971](#)

**Sequence:** The sequence of the first ten N-terminal amino acids of recombinant Gilthead Seabream growth hormone was determined and was found to be Ala-Gln-Pro-Ile-Thr-Asp-Gly-Gln-Arg-Leu.

**Note:** This product is for research use only.
