

## Data Sheet

|                    |  |
|--------------------|--|
| Product Name:      | 2-(Hydroxymethyl)benzoic acid                |
| Cat. No.:          | CS-0028786                                   |
| CAS No.:           | 612-20-4                                     |
| Molecular Formula: | C <sub>8</sub> H <sub>8</sub> O <sub>3</sub> |
| Molecular Weight:  | 152.15                                       |

### CAIndexNames:

Benzoic acid, 2-(hydroxymethyl)-

### SMILES:

O=C(O)C1=CC=CC=C1CO

**Caution: Product has not been fully validated for medical applications. For research use only.**
