

Catalog Number: 90843-C08HL

FGF21 Transfected / Overexpression Cell Lysate Product Information	
Expressed Host:	Human Cells
Products Description:	Human Cell lysate that Cynomolgus FGF21 / Fibroblast Growth Factor 21 transfected / overexpressed for Western blot (WB) positive control. The whole cell lysate is provided in 1X Sample Buffer (1X modified RIPA buffer+1X SDS loading buffer).
Sequence information:	A DNA sequence encoding the cynomolgus FGF21 (Met1-Ser209) was expressed with a polyhistidine tag at the C-terminus.
Predicted N Terminal:	His 29
Molecule Mass:	The recombinant cynomolgus FGF21 consists 192 amino acids and predicts a molecular mass of 20.9 kDa.
Species:	Cynomolgus

FGF21 Transfected / Overexpression Cell Lysate Usage Guide

Preparation Method:	Cell lysate was prepared by homogenization in ice-cold modified RIPA Lysis Buffer with cocktail of protease inhibitors (Sigma). Cell debris was removed by centrifugation. Protein concentration was determined by Bradford assay (Bio-Rad protein assay, Microplate Standard assay). The cell lysate was boiled for 5 min in 1 x SDS loading buffer (50 mM Tris-HCl pH 6.8, 12.5% glycerol, 1% sodium dodecylsulfate, 0.01% bromophenol blue) containing 5% b-mercaptoethanol, and lyophilized.
Lysis Buffer:	Modified RIPA Lysis Buffer: 50 mM Tris-HCl pH 7.4, 150 mM NaCl, 1mM EDTA, 1% Triton X-100, 0.1% SDS, 1% Sodium deoxycholate, 1mM PMSF.
Quality Control Testing:	12.5% SDS-PAGE Stained with Coomassie Blue after protein purification.
Stability:	Samples are stable for up to twelve months from date of receipt.
Recommend Usage:	 Centrifuge the tube for a few seconds and ensure the pellet at the bottom of the tube. Re-dissolve the pellet using 200µL pure water and boil for 2-5 min. Store the lyophilized cell lysate at 4°C. After re-dissolution, recommend to aliquot it into smaller quantities and store at -80°C.
Storage Buffer:	1 X Sample Buffer (1 X modified RIPA buffer+1 X SDS loading buffer).
Storage Instruction:	Store at 4°C. After re-dissolution, aliquot and store at -80°C.
